BIOPHARMACEUTICALS, INC

Sponsorship Requests

Sponsorship Requests

Keryx will consider sponsoring an organization's specific event or activity, such as a scientific or professional meeting, community health fair, or table at a fundraising or awards event. Keryx will also consider requests to become a corporate member of an entity or organization.

Eligibility Requirements

Sponsorships must be for a planned live event, program, or tangible material. Examples of programs that Keryx may support through a sponsorship include: exhibits or displays that appear at health fairs, conferences, or educational programs, corporate memberships, or tickets to fundraisers.

To submit a Sponsorship Request:

- Download and complete the application form.
- Email sponsorshiprequests@keryx.com, the completed application along with the following supporting documentation as PDFs:
 - Letter of request,
 - Event agenda and/or invitation,
 - Line item budget (note: Keryx funds cannot be used to provide meals to attendees), and
 - Organization's W9.
- Incomplete sponsorship requests will not be considered

Review Process

All applications are reviewed by a cross functional committee to ensure alignment with Keryx's commercial and charitable mission. We will then contact you to inform you of the decision of our sponsorship review committee. We review sponsorships on a monthly basis and will strive to provide a decision via email within 30 days of submission. Please note that not all requests will be funded.
